April 2021

Preceptor is committed to bring together educational practitioners looking for their ideal career and educational institutes finding their right candidate. Our goal is to help pave the way for our teachers and schools to achieve a brighter and more prosperous future, ultimately benefitting the students they will teach.

Engage - A Powerful School Management Information System. Our mission is to help Independent Schools improve efficiency, communication and accountability through our multi-faceted, integrated platform. Visit our website to arrange a demonstration.

Award winning education services - recruitment | tutoring | online EAL courses. Contact us for more information and see how we can help.

ETON X

EtonX from Eton College offers online courses designed to help secondary students develop new skills and get ready for university. This summer we will be running an online summer school with 11 courses on offer including 5 new courses to help with university applications. View the full range of courses here.
