### **BSME Dance Digital Event 2021 An invitation to take part in a Dance Choreography Competition following the theme of 'Connections'**

Cranleigh School Abu Dhabi are delighted to be hosting this year's annual BSME Dance event. Due to covid-19 restrictions, this year will see our first online digital dance event, which we hope will allow as many schools as possible across the Middle East to come together and celebrate the joy of dance.

This year, the BSME Dance event will take the form of a choreography competition, inspired by the theme of 'Connections'.

On Thursday 25th February, the BSME Dance Digital website will launch live, and will give BSME schools access to 4 short dance workshops in the style of Jazz, Ballet, Contemporary and Street Dance. Your students will be able to access this for the duration of this academic year, to enjoy learning from the workshops in their own time.

Students (and teachers) will be able to use, adapt and shape any of this choreography to inspire their own work, culminating in a digital dance sharing in the Summer term.

**This event is completely free for schools to enter.**

To register your interest for this event, and receive further information via access to the BSME Dance website on Thursday 25th February, please complete the following [Google Form](#).

Please do not hesitate to get in touch if you have any other questions. This looks to be a fantastic opportunity for our students and a way to keep them positive and dancing in 2021!

Kind Regards,

**Daisy Moorcroft**
