

# Become a BSME Partner

The British Schools in the Middle East ([BSME](#)) is the largest dedicated network of British international Schools within the region.

We have over than 130 Member Schools and 100+ Partners in the organisation and, with the demand for more international new schools to meet the increasing population of school children within the region, we expect our membership to grow over the next couple of years too.

BSME runs the largest inter-school student event programme in the Middle East, as well as an excellent Professional Learning calendar.

We will be hosting our 38th Annual Headteachers' Conference and Exhibition in March, 2020. The exhibition provides an excellent opportunity to showcase your products and services to the decision makers and leaders of our member schools. The Annual Conference also offers some excellent networking opportunities.

Join now to take advantage of the full range of benefits of a BSME Partner membership. We are taking applications for the membership year 1 September 2019 to 31 August 2020. The membership fee is not prorated.
