Description

Hodder Education, Rising Stars and Galore Park are part of the Hodder Education Group of publishers, specialising in high quality, market-focused innovative print resources and digital services for education, designed for key International and core UK markets. We are one of the largest school publishers in the UK, trusted to help teachers teach and students learn through our wide range of high quality resources, and training events. We support the curriculum in almost every subject area and at every level, selling to over 140 countries worldwide. Internationally, we have been working with Cambridge Assessment International Education for over 25 years and publish the only series developed with the IB for MYP 4 and 5.
